剪片和蟠龙邮票记录的邮戳

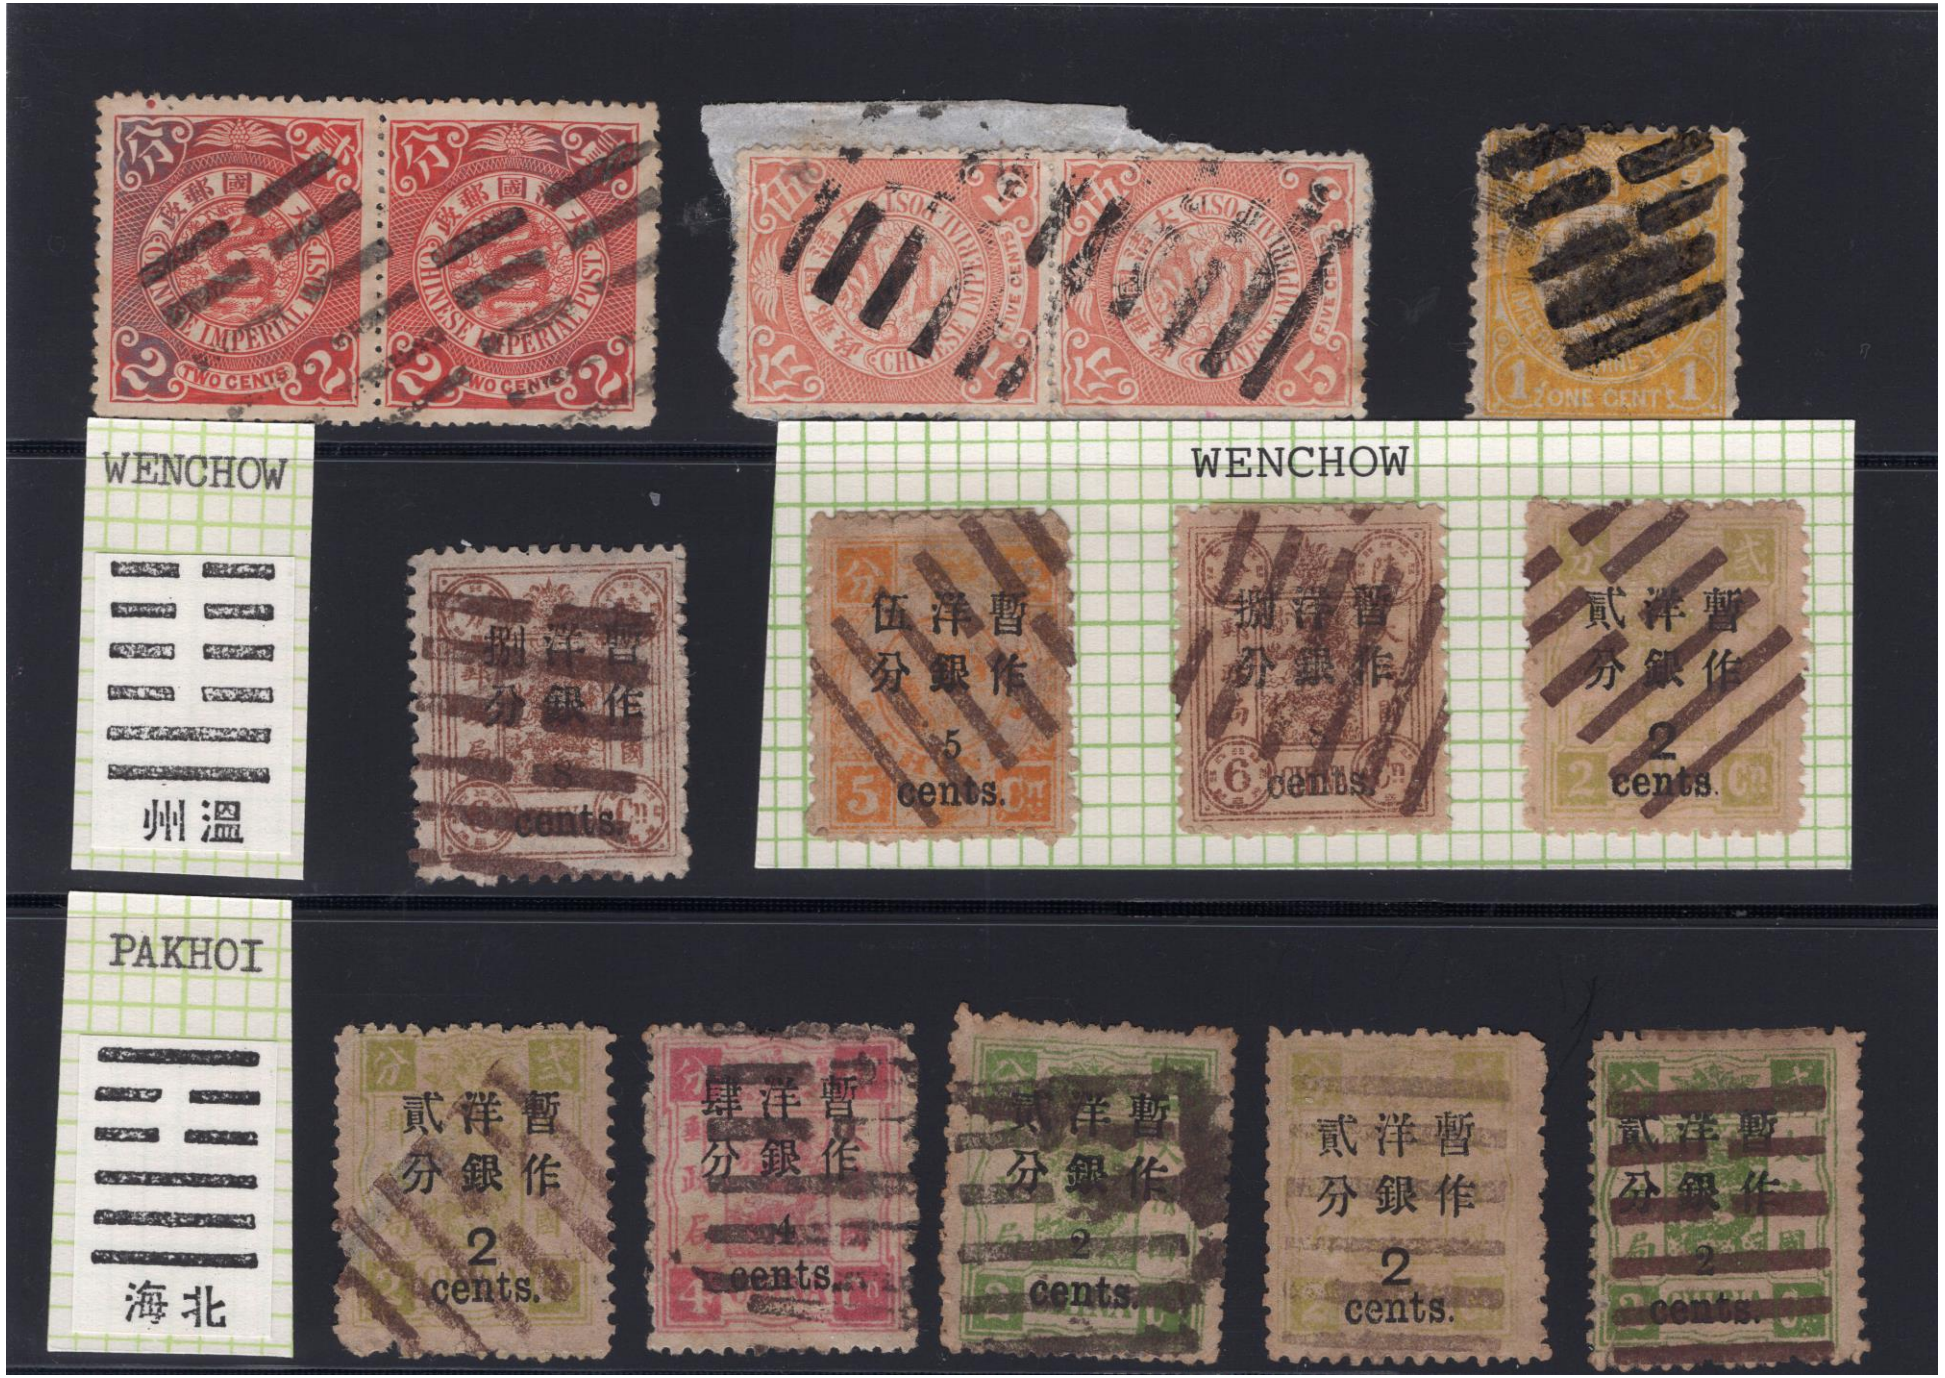

CHINESE IMPERIAL POST PERIOD (1897—1911) CANCELLATIONS OF ORIGIN

CANCELLATIONS RECORDED ON PIECES AND USED COILING DRAGON STAMPS

30 -- 清＊蟠龙邮戳 --- DQIP-G

Going down river from Ichang, #7, to Shanghai, #14, and continuing down the Coast to Pakhoi, #26, we arrive at the last port before reaching French Indo China. Every one of the assigned Pa Kuas is in the exact order that they are listed in the Book of Changes, with only two minor exceptions: the adjoining ports of Hangchow and Ningpo are numbered 18 and 17 - possibly they should be in reverse order; the same could be true of Pagoda Anchorage, #21, and Amoy, #22, but their relationship as reversables still remains.
